

Migration of Cleartech Portal to Touchpoint

As part of an upgrade, all users of the Cleartech Portal will be migrated to a new interface known as Touchpoint on **11th September 2022**. Whilst there are changes to the system interface, back-end code improvements and data migration, the existing workflow and functionalities will remain largely the same. No downtime is expected.

If you encounter any issues, you can reach Touchpoint Operations Support at **+65 6206 9828** or via email at **service@eexgrouptouchpoint.com**.

Refreshing your page (Ctrl+F5) or logging out and back in prior to use is recommended. Thank you for your continued support.
