Touchpoint – Data Import

An update for Touchpoint will be released by 20th July 2023.

1. Data Import

We are making some static data updates within Touchpoint to enrich the data available within Touchpoint for regulatory purposes and to allow for non-clearing member static (NCM) static to be made available for first time users of Touchpoint.

No downtime is expected.

If you encounter any issues, you can reach Touchpoint Operations Support at **+65 6206 9828** or via email at **service@eexgrouptouchpoint.com**.
