

Market Operations (Intern)

This key role requires an individual of excellent caliber and with a willingness to learn who will contribute to the EEX Group's continued growth in Asia.

Your Tasks

- Learn to handle some of the day-to-day tasks that the market operations team undertake, such as:
- Trade processing & reconciliation
- Client servicing
- Static data management
- Reporting
- Projects such as membership KYC/AML review

Your profile

- No relevant educational background required
- The ability to work independently to deadlines and coordinate tasks internally and with external partners
- A motivated individual who is willing to learn and has excellent communication skills
- A good character who can positively contribute to a good team spirit
- Flexibility in working hours
- Perfect command of written and spoken English; ability to write and speak any Asian language a bonus

We offer you

- The opportunity to be part of a successful team in the commodities industry
- A pleasant atmosphere in an international team
- Social events to get to know the rest of the team better
- Continuous training offers for your personal development
- Mentorship and guidance and the ability to understand the commodities market and how an exchange operates better
